**HIST/3/3 Institutional Research, Dept of Institutional Planning**

The Fact Book provides a summary of the most current and official data on students, staff and academic programmes, sourced from the University's database. The publication entails three sections covering student, staff and financial data reporting. The FactBook is published annually and supplemented with fast facts about the institution during the first semester. The University has a critical need for the proper reporting of reliable, accurate and accessible information and data to meet the strategic, planning, managing, operating and auditing needs of the institution.

The Office of Institutional Research core function is to serve as the University's primary resource for institutional data, planning and management reports and analysis as a contribution to the continuous improvement of institutional planning and decision making.

Text reads: 'The Vice Chancellor and the CEO of Botswana Telecommunications Corporation signed a Memorandum of Agreement (MoU) this morning. According to the MoU BTC will fund research, scholarships and performance recognition in the area of Telecommunications in the Faculty of Engineering and Technology to the tune of P1.35 million over the next three years. This agreement is a result of a protracted courtship, which affirms UB strategic commitment in Shaping our Future to placing emphasis on development in science and technology. The partnership is also in line with BTC's Corporate Social Responsibility towards development and capacity building. We look forward to a fruitful relationship with BTC.'

**HIST/7/3/15 Email from S Moribame, Director of Public Affairs, re financial contribution from Stanbic**

Text reads: 'YET ANOTHER FINANCIAL CONTRIBUTION TO UB!

The Stanbic Bank this morning presented a cheque for P20 000 to establish a graduation prize for the best Motswana student or graduate in Finance in the Faculty of Business. The first cohort of Finance students will graduate alongside the rest of the University of Botswana students on 14 October 2006. The cheque was received by the Acting Deputy Vice Chancellor, Student Affairs, Dr Bright Bagwasi from the Stanbic Executive Director, Mr Leina Gabaraane. This award will be in the form of a floating trophy and cash to the best performing student. The value of the cash will be determined by the University in due course. Only last week Thursday, Botswana Telecommunication Corporation and the University of Botswana signed a Memorandum of Understanding worth P1 350 000 for the award of scholarships, prizes and research work to UB. The MOU will establish a sustained collaborative link between UB and BTC.
