Briefe von Jeanette Wohl an Ludwig Börne

Nachl.L.Börne BIX, Nr. _____, Bl. _____

I have been thinking much lately of the
 future of our country and the
 progress of the world. It seems to me
 that we are in a great crisis and
 that the result will determine the
 fate of all. I feel that we must
 stand firm and true to our principles
 and not be swayed by the passions
 of the moment. I believe that
 the only way to preserve our
 liberties and our Union is to
 maintain the principles of
 justice and equality for all.
 I am sure that if we do this
 we will be able to overcome
 all our difficulties and build
 a better future for ourselves
 and for our children.
