Pain: potential underuse?

1. Did you suffer from pain during the past 2 weeks?

Please take the time frame into consideration! If the patient reports pain, let him/her show the area that hurts. Circle all the aching regions on the map. If more than one area hurts, ask where the pain is most severe and mark the respective circle with an additional arrow.

Yes

Where?

Please present the verbal rating scale (VRS) to the patient and ask him/her about the intensity of the pain. If the patient reports pain in more than one place, ask him/her to describe the intensity at the location where it is most severe.

How intense was the pain during the past week?

Worst imaginable pain

Severe pain

Moderate pain

Mild pain

No pain

Did the pain limit your ability to perform activities of daily living (e.g. shopping, gardening, etc.)?

Yes

No

No

Potential ADR

2. Did you suffer from the following complaints/symptoms during the past 2 wks?

Please take the time frame into consideration!

2.1 Nausea or vomiting? Please underline as applicable.

Yes Almost every day

On a number of days

Once

No Never

Potential adverse drug reactions (ADR) or symptoms of underlying diseases

Did you suffer from the following complaints or symptoms during the past two weeks?
(cont.)

Contact GP	Follow-up consultation within	Report to the GP	Normal findings
2.2 Dizziness?			
Yes	Almost every day	<input type="checkbox"/>	<input type="checkbox"/>
	On a number of days	<input type="checkbox"/>	<input type="checkbox"/>
	Once	<input type="checkbox"/>	<input type="checkbox"/>
No	Never	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2.3 Shortness of breath?			
Yes	Almost every day	<input type="checkbox"/>	<input type="checkbox"/>
	On a number of days	<input type="checkbox"/>	<input type="checkbox"/>
	Once	<input type="checkbox"/>	<input type="checkbox"/>
No	Never	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2.4 Abnormally rapid heart rate or irregular heartbeat? Please underline as applicable.			
Yes	Almost every day	<input type="checkbox"/>	<input type="checkbox"/>
	On a number of days	<input type="checkbox"/>	<input type="checkbox"/>
	Once	<input type="checkbox"/>	<input type="checkbox"/>
No	Never	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Information	3. Do you need more information on your medication?				
	Yes What in particular would you like to know? _____ _____			<input type="checkbox"/>	
	No _____				<input type="checkbox"/>
Problems to take medicines in	4.1 Did you have any of the following problems handling your medication during the past two weeks?				
	Getting medicine out of the box or blister pack?				
	Yes Which drugs? _____			<input type="checkbox"/>	
	No _____				<input type="checkbox"/>
	Splitting, crushing or dissolving tablets?				
	Yes Which drugs? _____			<input type="checkbox"/>	
	No _____				<input type="checkbox"/>
	Counting the drops of a solution or applying plasters?				
	Yes Which drugs? _____			<input type="checkbox"/>	
	No _____				<input type="checkbox"/>
	Inserting suppositories?				
	Yes Which drugs? _____			<input type="checkbox"/>	
	No _____				<input type="checkbox"/>
	Administering inhalers or nebulizers?				
Yes Which drugs? _____			<input type="checkbox"/>		
No _____				<input type="checkbox"/>	
Adherence	4.2 Did you have any difficulties swallowing a medicine during the past two weeks?				
	Yes The medicine is too large			<input type="checkbox"/>	
	The taste is bad			<input type="checkbox"/>	
	I have always had difficulties swallowing tablets			<input type="checkbox"/>	
	Other reasons: _____			<input type="checkbox"/>	
No _____				<input type="checkbox"/>	
Adherence	5.1 Did you try a medicine which was recommended by relatives, friends, neighbors etc. during the past two weeks ?				
	Yes Which drugs? _____			<input type="checkbox"/>	
	No _____				<input type="checkbox"/>
	5.2 During the past two weeks, did you only take certain medicines when you felt worse?				
	Yes Which drugs? _____			<input type="checkbox"/>	
	No _____				<input type="checkbox"/>
	5.3 During past two weeks, did you neglect to take your prescribed medicine now and then?				
	Yes Which drugs? _____				
	When do you neglect to take your medicine? _____			<input type="checkbox"/>	
	No _____				<input type="checkbox"/>
Adherence	5.4 Would you like to take fewer medications?				
	Yes Would you like to discuss this with your physician?				
	Yes Anything in particular? _____			<input type="checkbox"/>	
	No _____				<input type="checkbox"/>
	No _____				<input type="checkbox"/>

		Contact GP	Follow-up consultation within	Report to the GP	Normal findings	
Adherence	5.5 Do you take a medicine that you would prefer not to take?					
	Yes	Which medicine? _____			<input type="checkbox"/>	
		What don't you like about it?				
		I can't tolerate it.			<input type="checkbox"/>	
		I don't believe it is effective.			<input type="checkbox"/>	
		It is too expensive			<input type="checkbox"/>	
		Because I have to take so many other medications.			<input type="checkbox"/>	
	Other reasons: _____			<input type="checkbox"/>		
	No				<input checked="" type="checkbox"/>	
Patient's preferences & treatment goals	6.1 What are your medications supposed to achieve in your <u>current situation</u>?					
	<i>Please answer by ticking the blue boxess. Several answers possible.</i>					
		<input type="checkbox"/>	Prolonged survival?		<input type="checkbox"/>	
		<input type="checkbox"/>	Fewer hospitalizations?		<input type="checkbox"/>	
		<input type="checkbox"/>	Less pain?		<input type="checkbox"/>	
		<input type="checkbox"/>	Improved functional status (e.g., able to go shopping)		<input type="checkbox"/>	
	<input type="checkbox"/>	More enjoyment of life?		<input type="checkbox"/>		
	<input type="checkbox"/>	Others: _____		<input type="checkbox"/>		
Communication within the practice team	6.2 What is most important to you?					
	<i>Please tick one of the yellow boxes above (6.1).</i>					
	<i>Please note: one answer only!</i>					
7. Making an appointment for a consultation with the physician (depending on find						
<i>If you ticked any orange boxess, please inform the patient that after checking with the GP, you may well call him up and ask him to come to the practice. If you ticked only yellow and / or green boxess: please follow the procedure you have agreed upon in your practice for dealing with study patients.</i>						
Date of appointment with the physician: _____					End of interview	
8. Health care assistant's assessment						
Was there anything striking about the patient, e.g., exceptional circumstances or conflicts?						
.....						
9. Information provided to the health care assistant by the physician <u>after</u> the physician-patient consultation on medication-related problems						
Order lab tests: _____						
	<input type="checkbox"/>	Electrolytes, creatinine				
	<input type="checkbox"/>	Blood count				
	<input type="checkbox"/>	Others				
	<input type="checkbox"/>	Referral				
	<input type="checkbox"/>	No changes to treatment				
	Treatment changes:					
	<input type="checkbox"/>	Changes in medication				
	<input type="checkbox"/>	Others				
	<input type="checkbox"/>	Next consultation (follow up)				
	<input type="checkbox"/>	Others
