

# Tagungsankündigung / Conference Announcement

## **12<sup>th</sup> Mediterranean Morphology Meeting** **(June 27–30, 2019; Ljubljana, Slovenia)**

Organizers:

Jenny Audring (Leiden University)

Nikos Koutsoukos (University of Louvain)

Christina Manouilidou (Chair of the local organizing committee, University of Ljubljana)

Francesca Masini (University of Bologna)

The Mediterranean Morphology Meeting is a biennial conference series that brings together linguists from diverse theoretical backgrounds and at various stages of their career to discuss morphology in an inspiring, informal, and interactive setting.

The conference has a thematic session and an open session. The topic of the thematic day will be: “The nature of morphological generalizations: Rules, patterns, schemas and analogy”

Invited speakers:

Olivier Bonami (Université Paris Diderot)

Susan Olsen (Humboldt-Universität zu Berlin)
