

Tagungsankündigung / Conference Announcement

19th International Morphology Meeting (February 6–8, 2020; Vienna, Austria)

Organizers:

Francesco Gardani (University of Zurich) and Franz Rainer (WU Vienna)

The next Viennese IMM will, in principle, be a thematically open venue hosting papers on all kinds of topics related to morphology. As usual, the meeting will focus on a main topic, which this time, will be “Morphology in contact”.

In addition, the meeting will host workshops up to a limit of twelve papers on any topic in morphology, excluding the meeting’s main topic.

Important dates:

Submission of abstracts: from March 31 to August 31 2019 (papers/posters)

Notification of acceptance for abstracts: October 31 2019 (papers/posters)

Submission of workshop proposals: open until March 15 2019

Notification of acceptance for workshop proposals: March 31 2019

Keynote speakers:

Johanna Laakso (University of Vienna)

Felicity Meakins (University of Queensland)

Lameen Souag (Lacito – CNRS)

Host:

WU Vienna

Welthandelsplatz 1

Vienna, Austria
